RoHS Certification

The Specialty Ink Company, Inc. guarantees that the prohibited substances specified in European Directive 2002/95/EC RoHS Regulations are not included in amounts more than the tolerance limit in the products we supply. While none of these materials are intentionally added to the finished ink they may be inherent in the colors that are used.

Product name: 432 Ink (all colors)

Thank you,

A handwritten signature in black ink, appearing to read 'KW' followed by a long horizontal stroke.
