

# Rinz Off®

Water Removable / Temporary Ink

**Xylene  
Free**

## FEATURES

- Water removable / temporary ink marker that makes temporary marks on non-treated, non-painted and non-porous metal and glass surfaces.
- Marks can easily be removed with a water
- The removed marks won't "ghost" or bleed through when painted over.
- Markers can be used to temporarily identify inventory, assemblies, tools, work in progress or finished products.
- Ideal for quality control, part assembly, identification, site inspection and more.
- Easy identification of pressure points or defects in metal.
- Valve action mechanism prevents paint in barrel from drying when the cap is left off.
- 44 style marker features a threaded barrel that can be screwed into a jig or fixture for a continuous marking process.
- Heavy duty aluminum body with large paint capacity.
- Bullet tips are replaceable to assure complete use of ink in each marker.

## MATERIALS COMPATIBILITY

- Safe on non-treated, non-painted and non-porous metal and glass surfaces.
- Removable with water.
- Surface tests should be run to determine compatibility prior to use.

## AVAILABLE IN:
